

U.S FEDERAL COMMUNICATIONS COMMISSION REGULATORY NOTICE

This development kit is designed to allow:

- a) Product developers to evaluate electronic components, circuitry, or software associated with the kit to determine whether to incorporate such items in a finished product, and
- b) Software developers to write software applications for use with the end product.

This kit is not a finished product and when assembled may not be resold or otherwise marketed. Operation is subject to the condition that this product not cause harmful interference to licensed radio stations and that this product accept harmful interference. Unless the assembled kit is designed to operate under part 15, part 18 or part 95 of this chapter, the operator of the kit must operate under the authority of an FCC license holder or must secure an experimental authorization under part 5 of this chapter: 47 C.F.R. § 2.803(c)(2)(iv)(B).

INDUSTRY CANADA REGULATORY NOTICE

This device is not approved by Industry Canada, is made available for evaluation only and may not be resold. **The proposed operation of this device must be coordinated with the Industry Canada regional office for the region in which the device will be operated in order to ascertain whether there are any special conditions pertaining to the operation of a device of this kind in the region. Industry Canada regional offices can be located using the following URL:** <http://www.ic.gc.ca/eic/site/smt-gst.nsf/eng/sf01742.html#atlantic-ont-region>

AVIS DE RÉGLEMENTATION D'INDUSTRIE CANADA

Cet appareil n'est pas approuvé par Industrie Canada. Il est proposé à des fins d'évaluation uniquement et ne peut être revendu. **L'utilisation proposée de cet appareil doit être coordonnée avec le bureau d'Industrie Canada de la région dans laquelle l'appareil sera utilisé pour vérifier s'il existe des conditions spécifiques liées à l'utilisation de ce type d'appareil dans la région. La liste des bureaux régionaux d'Industrie Canada est disponible à l'adresse suivante:** <http://www.ic.gc.ca/eic/site/smt-gst.nsf/eng/sf01742.html#atlantic-ont-region>

EUROPEAN UNION REGULATORY NOTICE

This device has not been authorized as required by the rules of the Radio and Telecommunications Terminal Equipment Directive. This device is not, and may not be, offered for sale or lease, or sold or leased, until authorization is obtained.
